1. HIRE OF EQUIPMENT

- 1.1 The hire will commence from the commencement date specified in the Schedule and continue for the hire period specified in the Schedule.
- 1.2 The hirer is entitled to use the equipment for the hire period subject to the terms of this document. Any extension of the hire period must be expressly agreed to by the owner before the expiration of the hire period.
- 1.2 The hirer agrees to return the equipment to the address identified by the owner on or before the end of the hire period as outlined in the Schedule and acknowledges that failure to do so may be immediately reported to the police.

2. NO PPS LEASE WITHOUT OWNER AGREEMENT

Despite anything else in this document, without the express written consent of the owner, the hire period (including any option or extension of it) cannot be longer than two years (or any other period that is the time threshold for a PPS lease under the PPS Law (as defined below)).

3. PAYMENT FOR HIRE

- 3.1 The hirer agrees to pay the owner the hire fee and the damage waiver fee specified in the Schedule for the use of the equipment for the hire period including any applicable GST, stamp duties, tolls, fines, penalties, levies or freight and other charges relevant to this agreement and the hire.
- 3.2 The required fees must be paid to the owner prior to or on the commencement date of the hire period and when otherwise due and payable periodically under the Schedule or as agreed with the owner. Hirers who do not pay on any terms agreed will be in default. Equipment not returned on time and in accordance with this agreement will be subject to a continuance of the agreed hire fee and other charges until return or pick-up (if agreed) is complete, but this will not constitute an extension of the hire period.
- 3.3 The owner may agree to make equipment delivery and collection arrangements to and from the hirer's site and the hirer will pay to the owner any charges and expenses incurred in such delivery, installation and/or collection. The owner will use its endeavours to deliver the equipment at the requested time but will not be liable to the hirer for a late delivery or non-delivery.
- 3.4 A reasonable cancellation fee may be charged by the owner where equipment has been reserved by booking and the hirer cancels the booking without reasonable notice or fails to take delivery of the equipment.
- 3.5 The owner may charge the hirer a reasonable fee for accepting payment by credit card and this may be up to the applicable permissible charge under legislation.
- 3.6 Unless otherwise stated, the hire charges payable by the hirer in relation to the equipment will be as stated in the applicable Schedule. The owner reserves the right at any time to revise the hire fees by providing the hirer with notice. However the hire fee cannot be increased during an agreed fixed term hire unless the hirer agrees to the increase.

Where the increase in hire fees applies to equipment already on hire by the hirer, the hirer may terminate the hire and return the equipment to the owner.

4. DAMAGE WAIVER

- 4.1 Upon payment by the hirer up to date of the damage waiver fee, the owner waives any claim it may have against the hirer for the cost of repairs or replacement of the equipment due to damage occurring during its use under this agreement. The limitation is subject to payment of any excess payable by the hirer and the other terms of this document. This clause in no way entitles the hirer to, or implies the availability of, compensation from the owner for any liability incurred by the hirer to any third party in relation to the use of the hired equipment.
- 4.2 This clause ceases to operate at the end of the hire period unless an extension by the owner is granted in writing and an additional agreed fee is paid.
- 4.3 This clause will not apply to loss or damage which arises from:
 - (i) breach of this agreement where the breach increased the risk of or causes the loss or damage;
 - (ii) breach of any statute or other law or regulations in connection with the use of the equipment by the hirer where the breach increased the risk of or causes the loss or damage;
 - (iii) misuse, abuse, wilful and/or malicious acts, negligent and/or reckless use and/or overloading of the equipment;
 - (iv) theft, loss or damage by whatever cause to tools and/or accessories supplied with the equipment including but not limited to; hoses, drills, bits, grease guns, electric leads, tyres and tubes;
 - (v) lack of lubrication or non-adherence to other normal maintenance requirements that are required by or could reasonably be expected of the hirer under this agreement;
 - (vi) disregard for instructions given to the hirer by the owner in respect of the proper use of the equipment or in contradiction of the manufacturer's instructions if supplied with the equipment at the commencement of hire;
 - (vii) unexplained disappearance of the equipment;
 - (viii) theft of the equipment in circumstances where site security is available including, but not limited to, locked yards, buildings and sheds, where that security is not properly used by the hirer to secure the equipment whilst it is left unattended; or
 - (ix) loading or off loading equipment from maritime vessels, transportation of equipment on maritime vessels or the use of equipment on any wharf or bridge or over any body of water.

5. USE, OPERATION AND MAINTENANCE

- 5.2 The equipment must not be used by anyone other than the hirer without the express permission of the owner.

- 5.3 The hirer will ensure that all persons operating or erecting the equipment are instructed in its safe and proper use and where required hold valid proof of training or are fully licenced to use it.

 - the hirer's vehicle is suitable for towing the equipment if required. the hirer will not, without prior written consent of the owner, tamper with, repair or modify the equipment in any way, or permit another to do so.
 - the hirer will not remove the equipment from the State or Territory in which it is hired without the prior approval of the owner.
- 7. LIABILITY**
- 7.1 To the full extent permitted by law and except to the extent arising from actions or omissions of the owner or from things beyond the reasonable control of the hirer, the hirer indemnifies the owner from all claims and demands on the owner arising out of the use or misuse of the equipment under the hire, including in respect of injuries to or deaths of persons and any damage to property.
- 7.2 To the full extent permitted by law the owner excludes any implied or imposed guarantee, term, condition, warranty, undertaking, inducement or representation in relation to this document (Provision). To the extent to which the owner is not able to exclude a Provision (Non-Excludable Provision), and the owner is able to limit the hirer's remedy for a breach of the Non-Excludable Provision, then the owner's liability for breach of the Non-Excludable Provision is limited to (at the owner's election):

 - If there is a breakdown or failure of the equipment the hirer shall notify the owner immediately for the appropriate action to be taken.
- 9. TERMINATION**
- 9.1 Without prejudice to any other remedies the owner may have against the hirer and notwithstanding the period of hire specified in the contract, this hire agreement and any hire may be terminated by the owner as follows:
- immediately and without giving prior notice if the owner reasonably considers there is an imminent risk of loss, material damage or disappearance of the equipment;
 - unless the owner agrees otherwise at the hirer's request, upon giving the hirer 15 days notice of termination at any time during the period of hire; or

The owner may also terminate this agreement if the hirer commits a material breach of it.
- 9.3 The owner may seek compensation from the hirer for a breach of this agreement including for loss of revenue whilst the equipment is not able to be hired to others (for example due to its damage or loss) and/or loss of rental that would have been earned had termination not occurred. This does not limit the owner's other rights at law.
- 9.4 If the hire agreement is terminated under this clause 9, the hirer must immediately pay all outstanding hire fees to the owner and must return the equipment to the owner.
- 10. TITLE TO EQUIPMENT**
- 10.1 The hirer acknowledges that the owner retains title to the equipment and that the hirer has rights to use the equipment as a mere bailee only. The hirer agrees that the hirer has no rights to pledge the owner's credit in connection with the equipment.
- 10.2 The hirer agrees not to agree, offer or purport to sell, assign, sub-let, lend, pledge, mortgage let or hire or otherwise part with or attempt to part with personal possession or otherwise not to deal with the equipment and not to conceal or alter the goods or make any addition or alteration to, the equipment.

- 13.1 The covenants, agreements and obligations contained in this agreement will not merge or terminate upon the termination of this agreement and to the extent that they have not been fulfilled or satisfied or are continuing obligations they will remain in force and effect.
- 13.2 If any provision of this agreement is wholly or partly invalid, unenforceable, illegal, void or voidable, this agreement must be construed as if that provision or part of a provision had been severed from this agreement and the parties remain bound by all of the provisions and part provisions remaining after severance.
- 13.3 This agreement is governed by the laws of the State or Territory where the agreement is made and each party submits to the exclusive jurisdiction of the Court of that State or Territory.

- 14. PPS LAW**
- 14.1 This clause applies to the extent that this agreement provides for a

'security interest' for the purposes of the Personal Property Securities Act 2009 (Cth) (PPS Law). References to PPS Law in this Agreement include references to amended, replacement and successor provisions. The owner may register its security interest. The hirer must do anything (such as obtaining consents and signing documents) which the owner requires for the purposes of ensuring that the owner's security interest is enforceable, perfected, first priority and otherwise effective under the PPS Law.

- 14.2 The owner may recover from the hirer the cost of doing anything under this clause, including but not limited to registration fees.
- 14.3 The rights of the owner under this document are in addition to and not in substitution for the owner's rights under other law (including PPS Law) and the owner may choose whether to exercise rights under this document, and/or under other law, as it sees fit.
- 14.4 To the extent that Chapter 4 of the PPS Law applies to the security interest under this agreement, and the PPS Law requires the owner to give a notice or allow time or provide any account to the hirer and owner agree that to the extent allowable under the PPS Law that requirement does not apply and, for the purposes of section 115 of the PPS Law it is "contracted out" of this agreement in respect of all goods to which that section can be applied. Provisions of the PPS Law confer rights on the owner. The hirer agrees that in addition to those rights, the owner will, if there is default by the hirer, have the right to seize, purchase, take possession or apparent possession, retain, deal with or dispose of any goods, not only under those sections but also, as additional and independent rights, under this document and the hirer agrees that the owner may do so in any manner it sees fit, including (in respect of dealing and disposal) by private or public sale, lease or licence.
- 14.5 The hirer waives its rights to receive a verification statement in relation to registration events in respect of commercial property under section 157 of the PPS Law. The owner and the hirer agree not to disclose information of the kind that can be requested under section 275(1) of the PPS Law. The hirer must do everything necessary on its part to ensure that section 275(6)(a) of the PPS Law continues to apply. The agreement in this sub-clause is made solely for the purposes of allowing the owner the benefit of section 275(6)(a) and the owner will not be liable to pay damages or any other compensation or be subject to injunction if the owner breaches this sub-clause.

15. SECURITY INTERESTS AND SUB-HIRE

- 15.1 The hirer must not create, purport to create or permit to be created any 'security interest' (as defined in PPS Law) in the equipment other than with the express written consent of the owner.
- 15.2 The hirer must not lease, hire, bail or give possession ('sub-hire') of the equipment to anyone else unless the owner (in its absolute discretion) first consents in writing. Any such sub-hire must be in writing in a form acceptable to the owner and must be expressed to be subject to the rights of the owner under this Agreement. The hirer may not vary a sub-hire without the prior written consent of the owner (in its absolute discretion).
- 15.3 The hirer must ensure that the owner is provided at all times with up-to-date information about the sub-hire including the identity of the sub-hirer, the terms of and state of accounts and payment under the sub-hire and the location and condition of the equipment.
- 15.4 The hirer must take all steps including registration under PPS Law as may be required to:
- 15.5 ensure that any security interest arising under or in respect of the sub-hire is enforceable, perfected and otherwise effective under the PPS Law;
- 15.6 enabling the hirer to gain (subject always to the rights of the owner) first priority (or any other priority agreed to by the owner in writing) for the security interest; and
- 15.7 enabling the owner and hirer to exercise their respective rights in connection with the security interest.
- 15.8 The owner may recover from the hirer the cost of doing anything under this clause, including registration fees.
